

# Camp Friendship *Best Activities Ever* Bracket

CF fans all over the world will soon be voting on which activities are their favorites, and you have the chance to predict which activities will be chosen as fan favorites! Complete the bracket using the instructions below and submit to [info@campfriendship.com](mailto:info@campfriendship.com) or Direct Message us on Instagram (@campfriendship). Deadline for completed brackets is April 3<sup>rd</sup>.

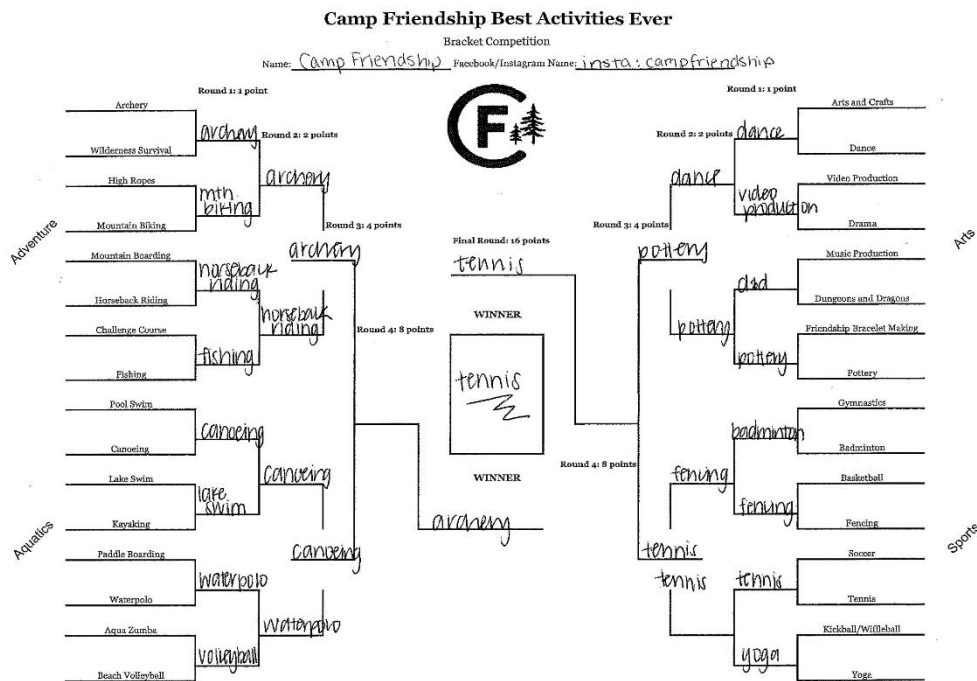

## Instructions:

Predict which activity will win the most popularity votes based on its match pairing.

For example, on the top left of the bracket, Archery is up against Wilderness Survival. If you think Archery will win, write Archery on the line alongside. If you think Wilderness Survival will be more popular, write Wilderness Survival on the line alongside.

Continue your predictions for all Round 1 sections on both the left and right of the bracket, and then move on to Round 2, Round 3, Round 4 and the Final Round. You should end up with your predicted winning activity in the WINNER box.

See our example of a completed bracket below.

We will be scoring each submitted bracket to see who made the best predictions.

Each correct answer in Round 1 is worth 1 point. The point value will double each round (Round 2 = 2 points, Round 3 = 4 points etc). This means the Final Round is worth 16 points!

The fan with the most points will win some CF swag!

**Good luck!**
